

**MINUTES OF THE GENERAL MEETING OF THE WOOD RIVER WATERSHED
ADVISORY GROUP**

**Canal Company
112 South Apple St.
Shoshone, ID**

Tuesday, May 24, 2005

Chairman Clint Krahll called the meeting to order with the following in attendance:

Lynn Harmon
Chuck Pentzer
Jennifer Claire
Bryan Ravenscroft
Bob Bolte

Bob Simpson
Joe Swartzbach
Jenifer Clawson
Carol Blackburn

It was noted in the April minutes that Clint had made a motion. Chairman cannot make a motion. Correction was so noted.

It was moved and seconded to approve the minutes of the April 26th meeting as corrected. Motion was carried.

Jennifer Claire gave a presentation on House Bill No. 145, with discussion.

Jo Lowe sent a note about the Land Trust.

The group discussed supporting the Hydrology Study that was presented in the February 22, 2005 meeting. It was the consensus of the group to not support the study at this time, because the focus was only in heavy growth areas such as Hailey, and did not include Blaine County in its entirety.

It was asked where the Mylar Maps were that the WAG group had at one time. Kathy will get ahold of Dana Sturgeon to see if she knows of the whereabouts of the maps.

Where upon the meeting was adjourned.

Clint Krahll, Chairman
